

*The Centennial Campaign for GGU*

**Work. Learn. Succeed.**

You are cordially invited to join us as we launch  
*The Centennial Campaign for GGU.*

For more than a century, Golden Gate University has provided a quality **professional-practice** adult-learning experience in Northern California. We were **pioneers** in educating **working adults** for professions in business, law, tax and technology; with the help of **alumni** and **friends**, we will continue to be **leaders** throughout the 21st century.

Join us for a very **special** evening, as we kick off Golden Gate University's first capital campaign in more than 30 years. It is a **celebration** of all the university and its graduates have achieved in our 104-year **history** and the official **beginning** of our successful **future** together.
